

# Corporate Philosophy

We will charge reasonable and competitive fees to our customers as well as to our subcontractors so that they will have an opportunity to make a fair profit.

## Our Vision

We will act positively in order to provide our customers with the highest possible level of customer service.

We will seek to achieve technical expertise in order for our customers to trust and rely on our services.

We will always seek better ways of providing improved valued added services.

We will act consistently and correctly at all times.

We will respond to our customer's questions with accuracy and honesty at all times.

## Management Policy

"Where there is a will, there is a way", we must be conscientious and persistent in our beliefs in order to accomplish our tasks.

We must remember to be humble.

The working environment must be clean, orderly and safe.

Everyone must be considered as an individual; however we must respect each others dignity and successes.

We must provide competent management.

We must recognize staff achievement and provide opportunity for promotion.

The company will provide equal opportunity for all.

## Goal

We must be diligent in reducing costs to the lowest possible level while maintaining the highest quality service and achieve profitability.

Our profitability is important in attaining our goal of helping our staff and their respective families live a better healthy life with a positive future.
